On October 19, 2010 I had the honor or being invited to attend a Command Briefing at the U.S. Southern Command in Miami, Florida.

"SOUTHCOM" is a joint, multi-agency command responsible for planning defense, security, counter-narcotics, and military cooperation in Central and South America, the Caribbean, and Cuba.

Our delegation met with the Commander, four-star General Douglas Fraser, his Deputy Commander, Lieutenant General Ken Keen, and the Civilian Deputy to the Commander, Ambassador Paul Trivelli. The event was interesting and informative.
